

# BLACK WHISKEY

LIVE FAST, PLAY HARD  
AUSTRALIA

Black Whiskey deliver the message that the Aussie Rock Scene shines on.

The powerful wall of sound from this rock group have quickly amassed a legion of Black Whiskey fans.

A pure professional rock sound that has won them a following of fans and generated plenty of music industry hype.

On the Touring Scene, this band has supported a myriad of Local, National & International heavy weights !

Americas Stryper, International sleaze kings - Faster Pussycat, The Iron Maidens, Electric Mary, The Poor, Falling Doves (USA) and Sisters Doll, just to name a few.

Heavily influenced by the Aussie, US and UK rock scenes alike, Black Whiskey deliver straight up rock. From the opening riff of "Whiskey & Rock n Roll" to the Rock Anthem of "Wild & Free", audiences are reminded that the Australian Rock scene lives on.

Consistent great reviews & exhilarating live shows have made Black Whiskey the new name on the lips of classic rockers & the next generation of rock aficionados.

The EP 'REBEL' received great reviews prior to the official release and the new album in the making will storm onto the Australian & International scene in the same fashion.

Tight performances and an amazing wall of sound are delivered at every live performance, getting the crowd moving. If you like it a little old school, loud, melodic, original but distinctly Australian & definitely rockin' - then this band Will Not Disappoint !
