

# BLACK WHISKEY

LIVE FAST, PLAY HARD  
AUSTRALIA

Black Whiskey deliver the message that the Aussie Rock Scene shines on. The band's performances and raging sound are insured at every show, the powerful wall of sound from this rock group have quickly assed a legion of Black Whiskey fans.

A pure professional rock sound that has won them a following of fans and generated plenty of music industry hype, landing them a number of support slots alongside national and international acts including: Americas Stryper, sleaze kings Faster Pussycat, The Iron Maidens, The Poor, Falling Doves and Sisters Doll, to name a few.

Heavily influenced by the Aussie, US and UK rock scenes alike, Black Whiskey deliver no bullshit rock. From the opening riff of "Whiskey & Rock n Roll" to the Rock Anthem of "Wild & Free", audiences are reminded that the Aussie Rock scene lives on.

Their current singles "Wild & Free" & Down (Devils Highway) are taking Australia and the world by storm. Consistent great reviews & exhilarating live shows have made Black Whiskey the new name on the lips of classic rockers & the next generation of rock aficionados.

The EP received great reviews prior to the official release and the new album in the making will storm onto the Australian & International scene in the same fashion.

Like it loud, melodic & fast, then this band won't disappoint !
